About This Content

Seeking to expand your mastery and defeat your foes? This Magic 2014 Deck Pack includes two brand-new decks for Campaign and Multiplayer play. In the red and white “Warsmith” deck, the mere presence of your artifacts on the battlefield will bolster your unstoppable forces and empower your spells. Forge your army, and march to war! With the green “Hunting Season” deck, the creatures at your command will become unnaturally large, and if that should prove insufficient to crush your enemy, make more creatures. Call the hunt!
